## SHAPING A FUTURE OF SUCCESS AND INNOVATION

By Trevor Quan

On Sunday, March 23, 2025, the Eagle Summit Troop 168 will host a public-wide Career Day where youth of all ages are able to participate in an educational event and gain valuable insights into potential career interests. Participants will be able to engage with current industry professionals, explore the diversity in careers, and make memories that establish the foundation of future success.

We encourage all Scouts and even friends abroad to join us in this exciting event. Although, we cannot do this without Scout input! *So please, everyone, if you could take a moment and fill out a survey listed in the QR code so we can get your input.* Your suggestions are very helpful for us to make this Career Day as fitting as possible so we can invite the right professionals in your field of interest.
